For the Sixth time in its history, the Salmagundi Club proudly presents an Open Non-Member Exhibition for Photography and Sculpture.

This brings together the creative talents of two very important non-competitive but highly compatible art forms. Public interest is growing rapidly, and Salmagundi feels that the sponsorship is an obligation we have to artists in these mediums.

Salmagundi is famous for its high standards of artistic accomplishment, its distinguished members and its good fellowship. It serves as a place where professional artists and men and women of artistic interest may meet to their mutual pleasure.

We welcome you to this major event of the art season. The exhibition is open to the public daily and Sundays from 1 to 5 p.m. Admission is free, however, a voluntary donation for our Scholarship Fund is tax deductible and welcome.

Edward A. Brennan  
President

**Please Note:**

The placement of the sculpture against each wall was necessary to permit our daily art classes to function during the exhibition period without interruption.
